## Policy

Advertising must be truthful and not defamatory or deceptive. It must not infringe on trademark, copyright, privacy or the rights of others.

The advertiser assumes full liability for advertising content and agrees to indemnify and hold harmless the OPIT Source Book from all claims, suits and related costs arising by reason of your company's advertisement.

Companies not in the recent edition and who want to participate can begin by placing their information on our web site after all requirements and information is met and received by the OPIT Source Book. All companies participating in the book will automatically be on our web site, FREE OF CHARGE with the information provided for the book. Additional information may require a fee. Updates can be made on the web site along with notification in flyers and newsletters to those who received the book.

## Distribution

The OPIT Source Book has had the support of leading intravenous therapy organizations in the United States. Through their organizations, orders through the Internet, phone, and fax, over 16,000 physicians, nurses, and pharmacists received the book in the past, per year. Our past supporting organizations are:

American Academy of Home Care Physicians (AAHCP)  
American Society of Health Systems Pharmacists (ASHP)  
(Section of Home Care Practitioners)  
Association of Vascular Access (AVA)  
League of Intravenous Therapy Education (LITE)  
Oncology Nursing Society (ONS)

## **Graphics**

The OPIT Source Book accepts artwork provided on virtually any form of CD, DVD or by e-mail files. Please save files in a high resolution for best output. Your disk must include your name and phone number and any special fonts used. Brochures can be sent for the Internet and we can design the page for you. Original artwork (photos) to be scanned up to 8.5 x 11 inches. Final size for artwork is 4 x 6.25 inches for the book. Choose backgrounds carefully. Very dark or white backgrounds are not always best. You can send color art work and we will re-scan in gray scale for the book. Any transparencies, negatives or additional camera work will be subject to an additional fee.

## **Product Description**

The Source Book text block is approximately 6.25 inches across by 2.5 inches in length. Please use no smaller font than 10. We have used the font called Book Antique in the past. It is best to submit your information and we will format it for you and send it back for approval. We can extend and go into more detail on the web.

If you have any questions, please feel free to call us at any time. 253-272-0360.

## **Deadline:**

Web information can be added at any time. Marketing has begun. Please submit information as soon as possible for publication in Spring/early Summer. Once approved your information will be uploaded to our web site for instant marketing.

Thank you for your continued participation and support.
